3.	Minimum distance from Wildlife/bird Sanctuary/national monument/air ports/air strips.	2000
4.	Minimum distance from National highways or State Highway.	Only those Hot Mix Plants can be established at the Right of Way who have been awarded tarring work of that particular road only for the period upto completion of tarring work. For all other Hot Mix Plants, distance from Right of Way should be at least 10 meters.
5.	Minimum distance from Silence Zone (if notified)	1000
6.	Minimum distance from Strategic Defense Area/Military Cantonment area	1000

* All distances shall be measured crow fly from the chimney/stack of hot mix plant.

* Distances are relaxable in case of any natural barrier between the site of the unit and any of feature indicated in the guidelines.

(b) Pollution Control Measures—

- (i) Aggregate of various sizes shall be stored properly and fine aggregate be given utmost precaution to control dust emission.
- (ii) All aggregates stored within the premises shall not be stacked beyond height of 3 meters ground level.
- (iii) Measures such as installation of water sprinklers at points of dust emission within premises should be provided. The internal roads, working platforms, loading and unloading areas should be paved or concreted and kept clean all times.
- (iv) Air pollution control measures such as cyclone/multi-cyclone and bag filter/wet scrubber are interlocked with the machinery properly and maintained to achieve standards prescribed under Rules.
- (v) Aggregate loading into hopper bin area shall be closed on the three sides and the only approved fuel as per state fuel policy shall be used by the Hot Mix plants.
- (vi) Dedicated energy meter shall be provided for the motor attached to the dust control system.
- (vii) There is no waste water generation from the process. However scrubbing water should be recycled.
- (viii) Any process rejects or left over of Hot Mix plant should be recycled in the process.

(c) Procedure for the establishment and operation to be followed by the State Board:

- (i) State Board shall issue conditional “Consent to Establish” to the unit after the unit/Hot mix plant submit a copy of NOC from PWD Department qualifying the siting norms.
- (ii) The State Board shall issue “Consent to Operate” only if the unit has taken measures to comply with the conditions given in the “Consent to Establish”.
- (iii) Every unit shall get monitoring for air and noise conducted regularly and submit the reports to SPCB.
- (iv) The State Board shall be the Authority to ensure the compliance of the Pollution Control measures given on these guidelines/directions and shall do the necessary monitoring of the unit as per schedule of monitoring approved by the State Board.
- (v) Every unit shall follow any other direction(s) issued by the State Government from time to time.

By order,

PRABODH SAXENA, IAS
Chief Secretary.
